Freedom to Learn

NEW IN 12

Released 3rd December 2018
Over 150 new features, improvements,
and visual improvements.

- *User experience*
- *Flexibility*
- *Scalability*

UX IMPROVEMENTS

The screenshot displays the Totara Learn user interface. At the top, a dark navigation bar contains the Totara Learn logo and menu items: Home, Dashboard, Record of Learning, Performance, Team, and Find Learning. On the right side of the navigation bar, there are icons for settings, notifications, and a user profile labeled 'Admin User'. Below the navigation bar, the breadcrumb trail reads 'Home / Courses / Test course 1'. The main content area is divided into several sections. On the left, there is a 'TEST COURSE 1' sidebar with a list of items: Participants, Badges, Grades, General, Topic 1, Topic 2, Topic 3, and Topic 4. Below this is an 'ADMINISTRATION' section with a 'Course administration' link. The central part of the page shows 'Announcements' and 'Topic 1' with a 'Test' icon. A table below 'Topic 1' has columns for 'Date' and 'Time', with one entry: '7 March 2019' and '9:00 Europ'. Below the table is a 'View all events' link. On the right side, a large, dark navigation menu is open, featuring a search bar and a grid of categories: Core platform, Learning, Performance, and Configuration. Each category has a list of sub-items. At the bottom right of this menu is a 'Menu settings' link. The text 'posted yet.)' is visible at the bottom of the page.

UX IMPROVEMENTS

The screenshot displays the Totara Learn user interface for the 'Manage programs' page. At the top, a dark navigation bar contains the Totara Learn logo and menu items: Home, Dashboard, Record of Learning, Performance, Team, and Find Learning. On the right side of this bar are icons for a refresh button, email, notifications, and the user profile 'Admin User'. Below the navigation bar, a breadcrumb trail reads 'Home / Site administration / Programs / Manage programs'. To the right of the breadcrumb are two buttons: 'Blocks editing off' and 'Remove from admin menu'. The main content area is enclosed in a dashed border and features a large green plus sign at the top center. On the left side, there are two widget boxes. The first is titled 'PROGRAMS (ADMIN SUB-NAVIGATION)' and contains 'Manage programs' and 'Custom fields'. The second is titled 'RELATED PAGES' and lists 'Courses', 'Certifications', 'Badges', and 'Learning Plans'. In the center, a modal window titled 'Add a block' is open, featuring a search input field with a magnifying glass icon and a list of block types: Admin bookmarks, Alerts, Blog menu, Blog tags, and Calendar. The modal is positioned over a 'Program Categories' section, which includes a search bar, a 'Miscellaneous' category, and buttons for 'Add new category', 'Manage certification', and 'Add a new program'. To the right of the modal, there is a 'Move category to:' dropdown menu currently set to 'Top', and another dashed box with a green plus sign.

MOBILE

A black and white photograph of a man in a hospital setting. The man is bald, wearing a light-colored, patterned button-down shirt, and is looking directly at the camera with a neutral expression. He is positioned in the foreground, slightly to the right of the center. The background is a blurred hospital room, likely an operating room, with surgical lights, medical equipment, and a person in the distance. A large green geometric shape, consisting of overlapping triangles, is overlaid on the left side of the image. In the bottom right corner, the word "QUESTIONS?" is written in a bold, black, sans-serif font, underlined.
